

## LIST OF EVENTS & MANNED WATCHES NATIONAL WHALE & DOLPHIN WATCH 2011

The following list includes all of the land and boat based watches that will be taking place during National Whale and Dolphin Watch 2011. The data collected during these watches will be sent to Sea Watch for analysis. Everyone is welcome to join these watches where there will be information on cetaceans and Sea Watch activities available. Land watches are free but charges apply for boat trips, contact the operator for further details. Watches may be weather dependent.

Keep checking this page as new events will continue to be added. If you would like to do a timed watch either from land or sea contact:
